

Trek "His Story" 2020-2021

Program Background:

1. Trek builds on the T&T program.
2. Goal is not only to memorize scripture but to apply it.

Requirements:

To complete your Trek year and earn your award, you must complete the following requirements.

1. The "Trek Check" is optional (but will be included in Trek Quizzing).
2. Read each of the Bible books in the Year 1 reading plan and, for each Bible book, point out three significant facts about the book - e.g. Author, date written, recite a verse, paraphrase an event or story from the book, etc. Bible books may be read in any order and sample Bible Summaries are available at:
<https://awanaym.org/trek/bible-reading-summaries>
3. Complete the Study Book. Our study book for this year is "His Story". In the book there are four units of seven lessons each. You must complete all questions and activities in each unit. Unit Reviews (4) are optional, but encouraged.

What We Expect....

1. All questions in the workbook must be completely answered and neatly written. One word answers are not acceptable and the leader will simply ask you to redo it before signing off your section.
2. Record your reading progress in your workbook.
3. To finish your book on time, you will need to complete one 7 day lesson each week and read 5 chapters each week. You may proceed at your own pace.
4. Since we are running the program on-line, please have your verses memorized before you contact us. We won't have time to coach you through and hear everyone's sections.

When you have Bible readings completed and Bible summaries ready, either arrange a time with a Trek leader or contact us on Thursday evenings between 6:30pm and 8:00pm through Skype at bridlewoodawanatrekjourney@gmail.com (same as the email address).

A Trek leader will record your progress.

Trek Advice:

1. Pace yourself. One lesson and 5 chapters every week will see you complete your book on time, but try to get ahead.
2. The Bible Readings can't be left to the end. You won't get your award if you miss this requirement.
3. Have Lesson 1 and Philippians ready for next week.
